

Funding the Cause

The Coach Safely Course is delivered at no-cost to the community. A comparable course is being delivered at \$300 per person. The Coach Safely Foundation funds the delivery of its course by soliciting:

- **Charitable Gifts**
- **Private and Corporate Grants**
- **Sponsorships**

Municipal stakeholders will have the opportunity to participate in the campaign for sponsorship. This will be done to inform parents about the Coach Safely Law and to steer injured athletes to *the right care at the right time*. The solicitation of Community Cause Sponsorships will target sports medicine care providers.
